Subject: Tracking of CD shipment

Alice,

Thanks again for the preliminary listing of documents not being provided for purposes of the allocation.

> Regarding the CD of documents being shipped, please send me the UPS tracking number so that I can check on its shipping status. I want to be sure to be at the office when it arrives.

Thanks,

David

Subject: Reasons for deletions

As requested, attached is a spreadsheet that provides reasons for documents that were not provided to you [i.e., the ones where DOC REGID = D or D (KD) or D(KD R?)].

Note that I filtered the spreadsheet so that only deleted documents would be shown, then added the column entitled "Reasons for deletion". Given the trouble we've had with the spreadsheet, I would ask that you use caution if you decide to re-sort the spreadsheet in any way.

Also, I found one document that was deleted in error – DOC ID 02-93353. I have uploaded that document to the Sharepoint site.

Please let me know if you have any questions.
